

Mrs Maria W Chapman

Dear Madam

your notice of my little work is very grateful to me. When I saw your lister at the Dedham meeting I was not aware of your friendly notice of that unpatronized book. ~~but~~ I should have personally acknowledged it. We differ (how grieved I am to say it Jesus knows) on questions which in humble faith I hold to be of vital importance in Religion. yet you have not suffered it to prevent you from noticing the writings of the advocate of atoning love. I am at present very much straitened Mrs Chapman. I have a large pledge to pay to the Antislavery cause. beside some I am bound to assist in private ways; yet the times have deprived me of my usual means of subsistence. ~~but~~ The profits of that book are sacred to Jesus in the person of the poor and the slave; I have ventured therefore to request you to dispose of a few of them for me. If you cannot ~~and~~ will find it burdensome with your other cares, please place them in the Antislavery Depository - Misses Sargent's. Good for two of them I send the two thus paid for to your care, thinking you will often see these ladies - Tell them I thank them - I found I could not stay in Dedham after <sup>20</sup> my lapse - I believe God has a work for me here. Here I can speak my free mind in the Free Hall every Sabbath I L Little
